ACCEPTABLE USE POLICY

To ensure a positive experience for all users and maintain a secure and collaborative environment, we ask our users to adhere to the following policy:

License Compliance:
● Only use our software in accordance with our terms and conditions.

Responsible Data Usage:
● Refrain from excessive cloud storage usage, as determined by the Company in its sole discretion. Violations will be subject to overage fees and the company reserves the right to suspend the relevant account.
● Respect data privacy and confidentiality. Do not attempt unauthorised access to others' data.
● Comply with applicable data protection laws and regulations in your use of our software.

Security Awareness:
● Keep your account credentials confidential and report any suspected unauthorised access immediately.
● Use secure networks and follow best practices to protect your devices from malware or other security threats.

Appropriate Content:
● Refrain from using our software to transmit or store offensive, illegal, or inappropriate content.
● Do not engage in activities that may compromise the integrity or security of our software or our users.

Feedback and Support:
● Provide constructive and respectful feedback to help us improve our software.
● Utilise our operations or support channels for assistance and promptly report any issues.

Collaboration and Community:
● Foster a collaborative and positive community environment among users.
● Respect the intellectual property rights of others.

Etiquette:
● Communicate with our operations and support teams in a respectful and professional manner. Do not engage in bullying, abusive language, harassment or discrimination.
● Avoid spamming, phishing, or engaging in any form of communication that may harm other users or our software.

Continuous Learning:
● Stay informed about updates, new features, and best practices related to our software.
● Engage with our educational resources to maximise the benefits of our products.

Compliance with Laws:
● Use our software in compliance with all relevant local, state, and international laws and regulations.
● Promptly report any misuse or illegal activities related to our software.

Consequences *of Violation*
● Violations of this policy may result in the suspension of access, termination of licenses or legal action.
